

## 1. Product Information

Supplier: JIANGSU CHANGJING ELECTRONICS TECHNOLOGY CO.,LTD.

|                          |                |
|--------------------------|----------------|
| <b>Part Number:</b>      | CJAC2R5SN085AH |
| <b>Package Type:</b>     | PDFNWB5x6-8L   |
| <b>Part Description:</b> | SMD/MOSFET     |
| <b>Report Date:</b>      | November-2025  |

## 2. Reliability Test Results: PASS

| Test Item                                               | Test Condition                                                                                                                                                      | Duration                     | Fail Quantity / S.S |

### Notes:

1. Either H3TRB or HAST for reliability test.
2. Either AC or UHASt for reliability test.
3. Detailed MSL of the product refers to the MSL Report.

Remark: JSCJ Laboratory reserves the right of final interpretation of this report
